Baby Bonnet for 09-12 month old (boy or girl)

Materials: Caron Simply Soft Yarn

Crochet Hook K

ribbon for ties

Rnd 1: You can either start by the normal ch4 join.. or the method I like:wrap yarn around finger twice, slide off, insert hook in center of ring and draw up a loop, Ch3(counts as first stitch here and throughout), work 15dc in ring. Before you Join pull beg tail to close center hole.. a little tip is pull on beg tail a little bit to see which thread moves in the center.. pull that thread first tight.. then pull the tail to finish closing. JOIN. TURN. [16dc]

Rnd 2: Ch3, dc in same sp as ch-3, 2dc in each st around. JOIN. TURN. [32dc]

Rnd 3: Ch3, dc in next st, *2dc in next st, 1dc in each of next two sts. Repeat from * around. JOIN. TURN. [42dc]

Rnd 4: Ch3, dc in next three sts, 2dc in next st, *1dc in each of next 4sts, 2dc in next st. Repeat from * around ending with 1dc in each of last two sts. JOIN. TURN. [50dc]

You'll be working in Rows now

Row 5: Ch1, *(sc,ch3,3dc)in next st, sk next 2 sts. Repeat from * 12 more times, sk next 2 sts, sc in next st. Leave last 9sts unworked. DO NOT JOIN. TURN. [13 humps made]

Rows 6 - 11: Ch4, 3dc in same sp as ch-4, sk next 3sts, *(sc,ch3,3dc)in next ch-3 sp, sk next 3 sts. Repeat from * 11 more times, sc in last ch-3 sp. TURN. At end of row 11 DO NOT TURN. Work hdc's evenly across neck edge, sl st then turn and work another row back of hdc's. Then sl st to finish off.. just gives the neck edge a little more finished look. Fasten off

Attach a length of ribbon to each side for ties. You could add a little ribbon rose or other

embellishment on top of where the ribbon joins to bonnet to finish it off.
