ASSEMBLY

With a tapestry needle and length of yarn, attach arms and legs to body according to picture. Cut out a small shape from yellow felt for the front of the tummy area, doesn't have to be perfect. Glue to front of frog's chest. Cut out a tongue from red felt. Glue in mouth. Then glue mouth down. Glue on wiggle eyes. Glue magnet to back. If you want a more "compact" frog, fold legs up with knees to chin and wrap arms around legs, glue or tack in place.
