Hair

Take a small strand of each color yarn used and separate them into 2 ply's. Holding 2 ply's of each color together, insert hook in st at top of head and pull all strands through. Tie each one in a separate knot.

Glue body to feathers, glue on eyes and make a small bow with ribbon and glue to front at neck area.

With 2 ply's of red backstitch a mouth on.

Glue magnet to back and you are all done!!! =)

You can change this peacock into a turkey simply by using brown for the body instead of peacock. Dress her up any way you like. Just remember to have fun!! =)
